The following are listed on the accompanying PTO-1449 and are in a non-English language:

1. JP 07-85164 A
2. JP 11-137719 A
3. JP 07-74844 A
4. JP 11-289523 A

In lieu of a statement of relevance or the translation of the non-English documents, enclosed is an English-language international search report from the Korean Patent Office in the PCT international application, from which this national phase U.S. application is derived, citing these documents and setting forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents. Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
